WELCOME!

THE DOCTRINE OF UKRAINE’S HOLY-SPIRIT-LED SUPERIORITY

Dear Brothers and Sisters,

Welcome. You are opening a doctrine written in humility before the One God – not as a declaration of human pride, but as a call to discernment, responsibility and righteous action.

It is offered to those who understand that safety and security, great wealth, influence and leadership are not merely privileges, but sacred trusts.

May this text serve wisdom, courage, protection of life, and God’s holy will.

In Christ,
Valentyn O. Gunchenko

IN HUMBLE OBEDIENCE TO THE ONE GOD AND HIS HOLY WILL

DATE: THURSDAY, 25TH OF JUNE 2026 | LOCATION: KYIV, UA

UKRAINE IS NOT MERELY
FIGHTING FOR TERRITORY,
SOVEREIGNTY AND SECURITY...

...UKRAINE IS
PASSING THROUGH A
PROFOUND TRIAL OF
SPIRIT, WISDOM, UNITY,
COURAGE AND TRUTH.

We acknowledge that no human power, no weapon, no technology, no intelligence system, no strategy and no institution is the ultimate source of salvation. The Lord alone is sovereign over history, nations and victory. Therefore, this doctrine does not proclaim human pride, technological worship or spiritual superiority over others. It proclaims a humble striving to act in accordance with the will of the One God: the Father, the Son and the Holy Spirit.

As it is written:
“So that your faith might not rest on human wisdom, but on God’s power.”
1 Corinthians 2:5

Foundational Statement. Ukraine requires more than technological advantage over the enemy. Ukraine requires a higher form of superiority – one that unites:

- holiness of intention;
- clarity of mind;
- purity of heart;
- strength of spirit;
- discernment between truth and deception;
- unity among the people;

- wise application of technology;
- disciplined defence;
- and the grace of God.

We call this higher order:

The Technology of the Holy Spirit. Not as a mechanism by which humanity controls God, but as the humble reception of His action within the human person, the community, the state, strategic decision-making and creative work.

Theological Foundation. The Technology of the Holy Spirit is not magic, esotericism or an attempt to force the spiritual realm to serve human ambition. It is the ordering of human life, intellect, will, creativity and technological power under the guidance of the Holy Spirit. In 1 Corinthians 2, the Apostle Paul speaks of a wisdom that does not belong to this age, but comes from God. It is a wisdom revealed by the Spirit, discerned by the Spirit and lived through obedience to God.

“But we have the mind of Christ.”
1 Corinthians 2:16

True superiority, therefore, begins not with a machine, an algorithm or a weapon, but with a purified heart capable of receiving divine wisdom.

“these things God
has revealed to us
through the Spirit”
(1 Cor 2:7-10)

Definition. The Technology of the Holy Spirit is a spiritual, intellectual, moral, organisational and creative system in which the individual, the community and the institution act in humility before God, seeking His will, discerning truth, creating good and applying knowledge, technology and strength only within the boundaries of a righteous purpose.

IT IS NOT.
IT IS...

It is not the replacement of prayer with technology.
It is not the replacement of defence with prayer alone.

It is the integration of prayer, wisdom, disciplined action, science, intelligence, defence and love of truth into one living order.

MISSION OF THE
DOCTRINE

The mission of this doctrine is to form within Ukraine a spiritual-technological culture capable of:

1. overcoming evil without becoming evil;
2. defending life without worshipping violence;
3. creating advanced technologies without losing the soul;
4. building security without becoming tyrannical;
5. developing artificial intelligence without abandoning divine wisdom;
6. uniting people without suppressing freedom;
7. serving victory, peace and the truth of God.

www.fus.today

We warmly invite Christians of all confessions – Orthodox, Catholic, Protestant, Anglican, Evangelical, and Jewish believers in Christ – to cooperate with The Forces of the Ukrainian Spirit and the wider witness of Ukrainian Christianity. In this hour of trial, Ukraine needs not only material support, but spiritual fellowship, discernment, prayer, wisdom and courageous action led by the Holy Spirit. Together, in humility before the One God, we can strengthen the living bridge between faith and defence, truth and freedom, mercy and justice – so that light may prevail over darkness, and God’s will may

be served in Ukraine and beyond.

PRINCIPLES OF HOLY-SPIRIT-LED
SUPERIORITY

I. God Is the Source of Victory

Ukraine does not worship force, the state, weapons, technology or human genius. These may be instruments, but they are not gods.
Victory belongs to the Lord.

II. Humility Before Action

Every strategic decision should begin with the inner question:
Does this serve God’s will, truth, love, justice and the protection of life?

III. Discernment Before Speed

In an age of information warfare, speed without discernment leads to error. The first advantage is not speed of reaction, but purity of vision.

IV. Wisdom Before Power

Power without wisdom destroys. Wisdom directs power towards protection, order and justice.

V. Technology as Service

Artificial intelligence, drones, sensorvs, OSINT, cyber defence, analytics, defensive systems and autonomous technologies must never become idols. They must remain servants of a righteous purpose.

VI. The Human Person as Temple, Not Resource

The human person is not “material” for war. The human person bears the image of God. Therefore, every defensive, intelligence and technological system must protect human dignity.

VII. Unity as Strategic Strength

A divided nation weakens itself. A people united by truth, responsibility and spirit becomes a living fortress.

VIII. Victory Without Hatred as the Final Aim

Hatred may arise from pain, but it cannot become the foundation of Ukraine’s future. The foundation must be truth, justice, memory, protection and restoration.

PRACTICAL DIRECTIONS

1. Spiritual Discernment in Governance

Ukraine must cultivate a culture of decision-making in which leaders, soldiers, analysts, engineers, entrepreneurs and citizens learn to discern:

- truth from manipulation;
- courage from recklessness;
- God’s will from human ambition;
- mission from pride;
- defence from revenge;
- strategic silence from fear.

2. Artificial Intelligence as an Instrument of Wisdom

Artificial intelligence should help human beings perceive complex systems, risks, patterns, threats

and opportunities. Yet final responsibility must remain with the human person, conscience and the moral order established by God.

3. Defence Architecture as a Living Shield

Ukraine’s defence must develop as a multi-layered system:

- physical protection;
- air defence;
- information defence;
- cyber defence;
- spiritual resilience;
- civic preparedness;
- international solidarity.

This is not merely a wall. It is a living shield for the people.

4. Intelligence in the Service of Truth

Intelligence, OSINT, due diligence, risk management and strategic analysis must serve not manipulation, but the protection of life, clarity of decision-making and the exposure of evil.

5. Creativity as a Front of Victory

Culture, language, design, education, faith, entrepreneurship, diplomacy and technological imagination are part of national defence.

A nation that continues to create in wartime is not defeated.

BOUNDARIES AND WARNINGS

This doctrine firmly rejects:

- spiritual pride;
 - the worship of technology;
 - the use of God’s name to justify cruelty;
 - manipulation of faith for power;
 - false prophecy;
 - dehumanisation of the enemy;
 - replacement of prayer with propaganda;
 - replacement of conscience with algorithms;
 - replacement of God’s will with a human project.
- We do not possess the Holy Spirit.
We may only humbly ask, receive, listen, repent, purify ourselves and act according to His fruits.

THE FORMULA OF THE DOCTRINE

Obedience to God > purification of the heart
> discernment > wisdom > unity > discipline > technological creativity > righteous strength > protection of life > victory within God’s holy will.

Strategic Summary. Ukraine’s superiority is not merely a superiority of weapons, data or technology. Ukraine’s true superiority is the Holy Spirit acting through purified, wise, courageous and disciplined people who are able to create, defend, discern and resist evil without losing their soul.

PRAYER

ONE GOD,
FATHER, SON AND HOLY SPIRIT,

WE DO NOT ASK FOR POWER FOR THE SAKE OF PRIDE.
WE DO NOT ASK FOR TECHNOLOGY FOR THE SAKE OF DOMINATION.
WE DO NOT ASK FOR VICTORY FOR THE SAKE OF REVENGE.
WE ASK FOR WISDOM, THAT WE MAY SEE THE TRUTH.
WE ASK FOR DISCERNMENT, THAT WE MAY NOT SERVE DECEPTION.
WE ASK FOR COURAGE, THAT WE MAY DEFEND LIFE.
WE ASK FOR PURITY OF HEART, THAT WE MAY NOT BECOME LIKE EVIL.
WE ASK FOR UNITY FOR UKRAINE.
WE ASK FOR THE POWER OF THE HOLY SPIRIT FOR RIGHTEOUS ACTION.
MAY OUR TECHNOLOGIES BECOME INSTRUMENTS OF SERVICE.
MAY OUR INTELLIGENCE SERVE TRUTH.
MAY OUR DEFENCE PROTECT THE INNOCENT.
MAY OUR VICTORY REMAIN WITHIN YOUR HOLY WILL.
LORD, MAKE UKRAINE NOT AN EMPIRE OF FORCE,
BUT A LIVING WITNESS TO FREEDOM, TRUTH, COURAGE AND DIVINE WISDOM.

AMEN.
